EMERGENCY PETITION

Writ for Mandamus and Prohibition

Plaintiff Jury is Demanded Pursuant to United States Constitution Amendment Seven, per the Jury Demanded Check box the plaintiff checked in the Civil Cover Sheet at the commencement of this action:

"In Suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved,"

Re: Federal Question – Excess of Jurisdiction, Clear absence of all Jurisdiction, and its Deprivation of Civil and Constitutional Rights in multiple States by defendants. Unlawful Search and Seizure, US Constitution Article 1, Section 8, Subsection 8, and Judicial Review of Engel v. Vitale 370, US, 421 (1962) among others; Treaty Law.

PRELIMINARY STATEMENT

This instant case, is the leading case to 1:23-Civ- 01457-VMC, which is in appeals court for violations of due process for a plaintiff jury trial, as in the case docket sheet checkbox for the case 1:23-Civ- 01457-VMC. Therefore plaintiff seeks to consolidate both case due to this emergency writ. The plaintiff is seeking a motion comes before the Northern District of Georgia Courts as a case at law, and a bill in equity, pursuant to the maximums and principles that "Equity will not suffer a wrong to be without a remedy" That substantial rights has been violated.

The plaintiff reserves all privileges, rights, immunities, powers, pursuant to the Constitution of America Amendment 10 last clause, and Fourteenth Amendment, Section 1, Fourth Clause:

At law, and at Equity, the Plaintiff(s) seek(s) exemplary damages, punitive damages, compensatory damages, or restitution, treble the AMOUNT OF DAMAGES and EQUITABLE Relief, such as injunctive relief against the defendants, pursuant to remedies at law, and remedies

at equity. Hence, after embarking on a love and forgiveness journey, and submitting multiple apologies, has not been well received. Now i feel endangered, which is in violation of *Article III of the Constitution of United States of America, Section I, "The Judges, both of the supreme and inferior Courts, shall hold their Offices during good Behaviour"* pursuant to *Archie v. Lanier*, 95 F.3d 438, 441 (6th Cir. 1996).

Dates and time frames for specific incidents and citation would have to be found in a process of discovery, because either the server or phone to the plaintiff emails are hacked from gathering information required for this petition. May also elements and supplemental pleading be added to this complaint.

To receive substantive Justice of Substantive Rights being violated, and threats to the Plaintiff Maceo Williams, revoke all Missouri, and Federal government employees Trustees in the State of Missouri Western District Court exclusively over Maceo Williams estate and Trust. The Plaintiff sister Chantrell Cofield has agreed to administer all trust and estate on behalf of the plaintiff.

This also comes as an emergency due to on 10/19/2023, the plaintiff Honda vehicle was hacked with 6 passagers inside, all African American, and the brakes would not stop. And the only thing that stop the issue was resetting the computer, a cyber security issue. I'm so forced, by remote neural monitoring to put this in the docket prematurely, the plaintiff is told that its on behalf of Charles Mckenzie, by either the CIA or NSA. This petition will have to be amended pursuant to FRCP as matter of

PRO SE STANDARDS

Plaintiff, hereby and through, acting pro se, is subjected to technicalities, and liberally construed standards.

Therefore, the defendants cannot prevail on their motion "... unless it appears beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief." Conley v. Gibson, 355 U.S. 41, 45-46, 78 S. Ct. 99, 102, 2 L. Ed. 2d 80 (1957). Applying this standard, this Court must accept the allegations of the Complaint as true. Square D Co. v. Niagara *993 Frontier Tariff Bureau, 476 U.S. 409, 411, 106 S. Ct. 1922, 1924, 90 L. Ed. 2d 413 (1986). See also...See Platsky v. Central Intelligence Agency, 953 F.2d 26, 28 (2d Cir. 1991) (district courts must construe pro se Complaints liberally).

Claims lunder § 1983 or § 1985, applying the very liberal standards delineated in Haines v. Kerner, 404 U.S. 519, 92 S. Ct. 594, 30 L. Ed. 2d 652 (1972) and Conley v. Gibson, 355 U.S. 41, 45-46, 78 S. Ct. 99, 101-02, 2 L. Ed. 2d 80 (1957). See also...Erickson v. Pardus, 551 U.S. 89, 94 (2007), and Iqbal, 556 U.S. at 678-79, see also that Hughes v. Lott, 350 F.3d 1157, 1159-60 (11th Cir. 2003). Pro se pleadings are construed liberally, and we hold them "to a less stringent standard than pleadings drafted by attorneys."

EQUITY LOOKS TO THE INTENT RATHER THAN TO THE FORM

JURISDICTION

This Court has jurisdiction over this action pursuant to 28 U.S.C. § 1332(a)(1),(2), (3), and (4) in that this is a civil action between citizens of Missouri, and State of Missouri, a foreign state as defined in 28 U.S.C. § 1603(a), and citizens of , and the amount in controversy exceeds \$75,000, with the diversity of citizenship, pursuant to United States Constitution Article III, Section 2, Clause 1:

"The Judicial Power shall extend to all Cases, in Law and Equity, arising under this Constitution, the Laws of the United States, and Treaties made, or which shall be made, under their Authority;—to all Cases affecting Ambassadors, other public Ministers and Consuls;—to all Cases of admiralty and maritime Jurisdiction; to Controversies to which the United States shall be a Party;—to Controversies between two or more States; between a State and Citizens of another State, between Citizens of different States,—between Citizens of the same State claiming Lands under Grants of different States, and between a State, or the Citizens thereof, and foreign States, Citizens or Subjects."

Article III, Section II, Fourth Clause. "the supreme Court shall have original Jurisdiction."

The plaintiff therefore for this Jurisdiction of the Northern District of Georgia adopts the Missouri, Florida, and Georgia Constitution in part, not whole, due to diversity of citizenship, and violation of rights, primarily here in State of Georgia, notwithstanding and incidents that had caused medical injuries, to patent infringement, Entrapment, to total disregard for the truth.

Pursuant to Florida Constitution Article 1 SECTION 12 Searches and seizures, last clause, the plaintiff adopts the Florida Constitution, based on the fact that it subjects it Constitution to the United States Supreme Court Jurisdiction, as follows -

“This right shall be construed in conformity with the 4th Amendment to the United States Constitution, as interpreted by the United States Supreme Court.” ... and that the Constitution of the United States Supremacy Clause last clause states, that

“any Thing in the Constitution or Laws of any State to the Contrary notwithstanding” has subject the Florida Constitution to the Jurisdiction of the United States Constitution and this Jurisdiction for Northern District Court of Georgia (Atlanta).

Hence, thee plaintiff adopts the Missouri Constitution Article 1Section 4. Clause **“That Missouri is a free and independent state, subject only to the Constitution of the United States:”**

VIOLATION OF HUMAN RIGHTS

Pursuant to Article 18, Pursuant to 42 USC 1983, Violation of First Amendment of US Constitution, Violation of Georgia constitution Article I, section I, paragraph III freedom of Consciousness as a Right.

As against defendants Brian C Wims Jr, Charles McKenzie, and Eric Schmitt, FBI, CIA NSA, STATE OF FLORIDA, MISSOURI

Everyone has the right to freedom of thought, conscience and religion; this right includes freedom to change his religion or belief, and freedom, either alone or in community with others and in public or private, to manifest his religion or belief in teaching, practice, worship and observance.

Brian C Wims Jr, had stolen a black female soul that was at the Salvation Army with me, who was an informate, and was getting sick from the exact same thing as the plaintiff, of a cancer, and Even a whole church, and Jewish Synagogue would complain about the exact same issues at WWIB only a spiritual relationship, but she did tell me that because of the news given to her, that she needs to start praying for me. Then the Amanda Sisk was racially motivated however, a situation that happened later at Budgetel room 211 in my private room, an additional violation of privacy rights alongside the religious infiltration of my life. The defendants took my spiritual heart, which was a bright white light, standing for the Angelic Eye to see Angels as a prophet, which is grated to you in the kabbala, the Jewish faith. And this unman vehicle follows me everywhere to ensure the plaintiff soul is damned to satan against his will. A human rights violation, that is forcing another religion upon the plaintiff. The FBI told me in remote viewing that the Judge wanted my soul, which is your heart. And in Budget room 211 is when the defendants took the plaintiff soul through the force of satanism.

In my book, it describes my soul turning into a ball of white light. Thats why the UAV constantly targets my heart with that telemetry, or laser beam. Then they removed my consciousness and swapped with Jason with Hemi-Sync tapes. Then they swapped my spiritual blood line with the Judge Eternity, because spiritually my blood line went back to Abraham and Hashem. Eternality is a long time.

This was also identical to the Amanda Sisk situation in which the defendants would use white women, in abuse thereof, and cause a specific race of women to either beome Confidential Informants with the intent to deprive one of his right to have children for the right to life. Even when meeting new people to date, in a romantic relationship, any new female the plaintiff met, on the grounds of race. And deprivation of rights, of the plaintiff, they would all be forced into Confidential Informants. The defendants went inside of Maceo Williams Facebook account to reach out only white females to disclose private information about the plaintiff to destroy positive relationships with a specific race of people. FACTS OF PROCEDUARL BACKGROUND

Short And Plain Statement

In Clear absence of all Jurisdiction

Pursuant to Fed.R.Civ.P. 8(f) "All pleadings shall be so construed as to do substantial justice"

Pursuant to Barnett v. Hargett, 174 F.3d 1128, 1133 (10th Cir. 1999)

"[T]he mandated liberal construction afforded to pro se pleadings 'means that if the court can reasonably read the pleadings to state a valid claim on which the petitioner could prevail, it should do so.'"

Maceo Williams, by and through acting pro se, that the defendants(s) by and through their attorneys, for pro se Complaint against DEFENDANT(S), allege[s], upon information and belief, as follows:

The defendant, Honorable Charles Mckenzie in the Maceo Williams vs Malcome Molone case # plaintiff loss over \$150,000 in United States currency. On he interfered with credit reporting against the "Fair Credit Reporting Act" and is causing negative credit inquiries on the plaintiff credit report. Has gotten me evicted wherever I live, from the Salvation Army 469 Marietta St NW, Atlanta, GA 30313 , to Budgetel Inn and Suites, 4350 Stone Mountain Hwy, Lilburn, GA 30047

to Co-Business Partners from illegal data sharing, and breach of that data in excess of his jurisdiction. Through racism, he targets the minority and jewish communities, and creates conflicts between one another, while uplifting the white community by a show of hate. On..... Amanda Sisk is a white female, who was targeted by the defendant or defendants, specifically Charles Mckenzie. The racial hate was received and only damaged the plaintiff through additional pain and suffering.

All of this has happened because John Doe, went in clear absent of his Jurisdiction from case Maceo Williams v Ground works, and the defendants in that case, sent to Maceo Williams email a settlement offer for the work performed, and John Doe went against it and now the case is currently closed, in complete anger, and retaliation based on the Malcolm Malone case that had nothing in common, and went after the plaintiff first over the motion related to the plaintiff receiving a Honorary badge from Gladstone Police department. And then went beyond this and totally disobeyed 8th circuit order in the appeal, and blames Maceo Williams for his own actions, these are his actions, not Maceo Williams. and he and Charlie Kenzie, followed with Eric Schmitt, Clear absence of all Jurisdiction, destroyed mr Williams from working at Capital Vacations LLC in another State of Georgia, hired racist, like Jeff from MoKan Home Improvement, who was an ex employer who owed the plaintiff \$5,000, whom also was building under ground bunkers in preparation for a civil war in America in support of his Qanon theory to hack the plaintiff business computer here at 3268 woodrock lane. Snellville Ga 30078 through Ert. An employee of Mokan home improvement came to Maceo Williams and told him that the reason he did not pay me for sales, and the 5,000 contract sign on bonus was because Jeff the owner told him because i was black, and became my witness. And i reached to Jeff via text message about his reasoning because i was black, and his attorney. And they offered me \$500 because how i was being treated by Judge Charles McKenzie and the \$150,000 owed to the plaintiff, Maceo Williams that the Attorney William Secession took from the plaintiff. And the other attorneys agreed to be sued in

that case and consented in a hearing that they had no problem with putting the correct company as the defendant in the misjoinder, which the plaintiff brought up in a later motion. Yet Charles McKenzie went against that as well. So how can Maceo Williams be responsible for other people actions? Especially later after the plaintiff filed a dismissal in that case, and they still retaliated further, for no reason.

It was Brad Clude and Eric Schmitt who went after Maceo Williams over "race card" email by the defendants. It was them who went racist first and politically charged first, not Maceo Williams, and was the primary reason in a apology letter email sent to the Eric Smidt. Especially after i reported that my private home surveillance camera was being spied on by the FBI and Eric Schmidt, and Charles Mckenzie. Right before my child GianFranco was in a child abduction and Maceo Williams was in a hit and run by the get away driver caught on camera, in addition to the burglaries, which is in my emails. The video footage doest lie. This is when they targeted my girlfriend, who happens to be white

Then here in Gwinnett County, the FBI opened my bank accounts against financial privacy, with the purposeful intent to entrap the plaintiff, in a crime in conspiracy, to stop the plaintiff from the gains of his industry, a violation of Missouri constitution, to deprive one of rights to destroy the case of Maceo Williams vs Malcolm Malone. Then all three Judge Charles McKenzie, Erick Schmitt and John Doe. used the FBI and CIA as pass through agent with Unmanned Vehicles, and start taking the plaintiff personal property, see in Gwinnett County Police report, his religious material, business equipment, and over \$499,986.35 in legal and business documents related to the legal fees in the Malcolm Malone case. The stealing of property started with the FBI in Missouri with Eric Schmidt with my phone a Samsung Galaxy Note 10, a thousand dollar phone, that was traced to the court house in Jackson County Missouri. While at Capital Vacations Employment Group LLC, a complaint related to intellectual property theft again because the Charles McKenzie wanted to destroy my case in hos docket, so the forced Capital Vacations LLC, who i reported about guns at the booth with the NFAC militia group photos of Desiree Christy. To challenge my patent at Capital Vacations LLC so i could not have intellectual property. And stopped Maceo Williams from creating a Union on behalf of disgruntled employees. Which is a Federal Protected Activity, and for Racterring a second time

Then in my private life, they hacked my home at 3268 woodrock ln Snellville Ga 30078, in the plaintiff private bedroom, shower the plaintiff photos taken of patato chips he was eating, took nude photos of plaintiff, that was shared with the defendants in the case, and private citizens, and wrote on a photo of a nude white female , with saggy breasts. **"is this what you call a "trade secret". As if the person was inferior in a degrading way. The message was written diagonal on the right bottom side of the photo.**

through his camera phone. tracked me from my residence, and stole my book, my phones again, and hard drives against my rights. In clear absence of their jurisdiction. A book i had been working on for over nine years of life dedicated to family and kids

And then i left the State of Georgia, went to Florida and was first attacked because of my spirituality from the prophesy book about Animal sacrifice and my "Laying of Hands" gift from God was taken by Eric Schmidt, before i even made a chicken sacrifice as prescribed in my Jewish faith of Yom Kippur, and my ancestors faith, the Goat sacrifice was on passover, and was used to deprive me of my first amendment right of prohibiting one from his religion. And my right to "Posterity" granted by the Constitution of the United States preamble last clause. Then Erick Smidt, i found later in the parts of my book they was not able to take, was person responsible for the two poodle sacrifices, to separate me from the white female soul mate in which i was born, that's written in my book, on racial grounds while in Florida. Then while at the airport, i kept going through curses "The Cross".... While in Florida, the plaintiff would be filmed on camera cell phones by CI's in degrading sleeping areas by the Catholic Church by Camilla House.

I went under intense religious attacks while in the State of Florida, specifically satanist.

Then while at Fort Lauderdale airport, just for simply, requesting to file a complaint, in a calm manner, non-aggressive, in a crowd of people, the plaintiff was slammed inside the airport, people started to take out their phones because the police agreed that in had not done anything wrong and i kept yelling as to why was i being put in custody, if you are saying I didn't do anything wrong. So the crowd around the escalators began to scream that they got on camera, on police camera footage and ft Lauderdale airport footage about tracking me over evidence, and obstruction of justice. That's the three Charles McKenzie, Eric Schmidt, and John Doe, kept following me about,

and the Kansa City Branch of the FBI and CIA had me arrested over religious material and reporting them. I was completely innocent. It was Broward Sheriff report # 03-2302-002966 on 02-27-2023.

Maceo Williams took Frontier Airlines flight on March 1, 2023, confirmation code TJCZ4R Gate C-9 seat 29A back to Atlanta Georgia, flight 1363.

Then i landed at Hartsfield Jackson airport and went to the Salvation Army, whereas i was attacked by a criminal organization hired by the defendants, that call themselves the "Finders". While walking by the CNN building, the Omni, a whole bunch of cheerleaders and jews was operating around me at the time. This is when the plaintiff went through Remote Viewing, and the psychic impression received at the time was that the defendant John Doe, had committed Murder of a guy named Jason, to a god called satan, that made my spiritual gifts transfer over to John Doe. Specifically, i immediately felt a red looking god, with horns, perform psychic surgery on the plaintiff to transfer all psychic gifts of the plaintiff to the defendants the defendant. I felt my right eye, my heart, my internal spiritual gifts from God the Father be transferred instantly to John Doe. Any spiritual gifts, including my vision as a psychic, as described in my book was transferred over to the defendant. , And transferred Hashem in aAmda sisk

Jason was murdered for the reason the plaintiff was being tracked by the CIA and FBI in which conversations was discussed between the plaintiff and informates about Jesus Christ being a Human Sacrifice. And out of curioisty, wanted to know what a human sacrifice really was from a santanic view point.

Jason was a white Male, diamond shaped beard, weighing about 180 pounds, between the height of 150 to 200 pounds. Skinny with sunken cheek bone structure. This was a human sacrifice, the most intense psychic experience out of my life.

Jason was tied to a bed, in a cross position, back to a bed post, sitting down, with left wrist and right wrist tied to a bed rail. This happened after a ritual was performed. Jason was asked if he would die for his faith he stated yes, and at that time he didn't know the intent of the person who had a semi automatic pistol behind his back, and Jason was shot in the right eye. The plaintiff Maceo Williams felt it instantly, because my name was used in the ritual to transfer my gifts to another person, specifically Brian C Wims Jr at the time. Who also took my spiritual religious wife whom my memories are stored in a name I assumed was called Hecate. And gave my memories to all three defendant the sirical achievements of the bird of immortality, the phoneix was partitioned to John Doe

Then i eventually went to Budetel, room 211, whereas satanist, see description in attachment, was hired to take Maceo Williams soul and Place John Doe soul into Maceo Williams body in violation of human rights. He wanted to create a santanic kingdom that mimics the Jewish faith of Adoni, Hashem, and Jesus Christ, my God. So they kept a Unmanned Aerial Vehicle at my door day and night. The strategy was to perform deliberate indifferent actions, and reverse it on the plaintiff and say he did it. The processes was to create everything opposite of the Holy Bible. So day and night they kept unholy spirits inside my body to perform religious harm onto another. This was the criminal organization hired against me called the "Finders".

Then Amanda Sisk my ex, a white female ive never had problems with for over five years came back into my life, in a intimate romantic relationship and they performed satatism on her as well, showed me through remote viewing how they can edit the videos in remote viewing so I would not tell, and then invaded my privacy and Married Amanda Sisk soul to Charles McKenzie, because they places the plaintiff soul Maceo Williams, into Amanda Sisk, which later this criminal organization forced Amanda Sisk soul to be sacrificed to Erick Smidt, who took her spiritual contract for himself.

Then on 10/14/2023 Eric Schmitt, Charles Mckenzie block the plaintiff from reaching out to the News Press the Atlanta Journal Constitution through Obstruction of Justice By lying to the news

Then they molested my son Gian Franco Williams Garcia in his sleep. The plaintiff was upstairs in the hall way of Budgetel outside when he saw a drone close in the sky, 45 degrees from the right side of the hotel. Instantly, the plaintiff saw in a remote viewing session that his son GianFranco soul was placed inside a Jewish God called Elohim, which wore a mask to disguise the individual identity. Instantly the impression was sex, and John Doe was the impression I received at that time, but also, it was the impression that the FBI had created a machine out of this God for screens and remote viewing. The plaintiff dashed to the room 211 and called Brenda Garcia the mother, and immediately over the phone she confirmed Maceo Williams vision. And When asked what she thought it was, she voluntarily stated that she felt he was being molested, and when Maceo Williams asked her to explain, she stated over the last week he kept screaming asking it to "STOP"!!!!!! This mimics the child abduction/kidnapping case in Gladstone Missouri that there was a coordinated effort by Charles Mckenzie, the FBI, and Eric Schmitt to have my

child kidnapped in violation of parental rights of the plaintiff. Due to information gathered before the incident happened, and the government of Missouri allowed the plaintiff to be hit by a driver on video footage, which is in the plaintiff emails, but hacked to not receive access.

While Budgetel Maceo Williams signed a partnership contract with Norita Investments and Associates LLC With Norita Investments and Associates LLC Loss of social media fame, about THE Plaintiff placing the company partnership on the stock exchange, and good work performed by Maceo Williams and the business. In Gwinnett County, at an Airbnb, on 1153 Overlandhill Trace, the business partners are residents from Flordia, Lisa Norita "Elizabeth" who began to work for the State of Flordia and Charles Mckenzie, after the business was infiltrated by Charles Mckenzie and the defendants. While the plaintiff and business partners was living together, and Lisa came to the plaintiff about a Missouri Judge, and the plaintiff religious book, and something about a "soul snatcher". One week after the business was infiltrated, and information about the plaintiff private book was exposed to the the business partners. The business partners decided to confiscate property on behalf of the defendants, a religious machete, stored with the business partners storage unit at Ark Self Storage on 1410 Beaver Ruin Rd, Norcross Ga 30093 and sent private information back to State of Flordia about Maceo Williams and his religion, because the defendants used criminal information against her husband to force her to break up the business partnership..

Later, this criminal organization used Himi-Sync tapes to transfer Maceo Williams soul to Charled Mckenzie, Eric Schmit, and John Doe while at Budgetel room 211

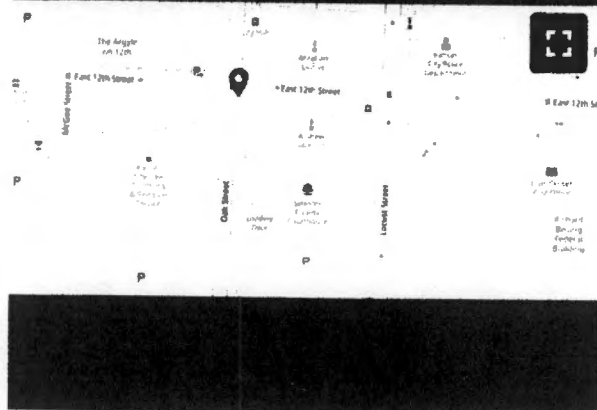

Then In addition, the FBI and CIA embarked on a mission to use Artificial Intelligence to share my brain, intellectual property of private mind with Charles McKenzie, John doe, Eric Schmitt, so they could think like the plaintiff do to his educational attainment in which he earned through hard work for over 15 years of study, as documented in his book that was taken. They use my mind to spy on my thoughts to know what im thinking legally before hand, and to know about business, for obstruction reasons

they started using drones to hit me with particles or waves of radiation, that was used against the plaintiff number 6 and 9 in the kabbalah, for religious reasons and zapped the plaintiff penis and testicles In violation of procreation of life secured by the constitution due process. And they keep lying in remote viewing and telling the courts something differently than what's actually happening to the plaintiff. Eric Schmitt came to the plaintiff in remote viewing that he was that "dragon" who attacked our jewish community, and "will continue doing it". The impression was a Klansman

To whom it may concern,

I'm the mother of Gianfranco Garcia Williams son of Maceo Williams.

My son lately has been experiencing some nightmares and I'm very concern and don't know how to help him when he has these moments.

This week I have witnessed my son waking up out of his sleep hollering and screaming and saying "stop", as a mother I knew something was wrong, as a mother's intuition I felt as if he was dreaming that he was being tormented or being abused. This is very disturbing to me because it scares me to hear him screaming and being able to have a peaceful night rest.

I really believe this is more than just a dream, this has to do with something spiritual.

Sincerely,
Brenda García

See it's stuff like this that puzzles me, no where in your text messages do I see you sent me this text gift. But I found it in my photos sent from your phone

That's odd

Can you talk?

Mon, May 8 at 3:42 PM

Sorry, I fell asleep

Yea, what time do you want to meet

Idk we are in Duluth now at Kylie's appointment

Ok

Where would you want me to go?
Your place?

I have

I will let you know when I'm bringing the card but I shouldn't have to come all the way to you

Then stop bring up your past with me

You talk more about your past being abused with men, and I have nothing to do with that

You good at what you do

Yours has to do with hacking. I am not going to use your card at all ok

You flipping stuff on me, especially when you do nothing but talk about the past

I didn't even bring up to you about my bank account ever being hacked

How did you know

????

I never told you about that

I am not flipping anything. I am tired of hearing about your card & hacking & the government

I'm that dad in the movie called

I just need to know when did your
anxiety start to come back
recently???

Because at least 40 percent of our

Missouri, that's why I ask

Bc you owed an explanation to me
about why you left me all of a sudden

Hard to focus with you stressing me
out

That is not my intent, all I'm doing is
responding to your text messages.
But I'm of the belief that you are
targeted part of a "thought control"
program. Because you've had an
obsession, to this day. About
Missouri. Damn near every day you
come to me about Missouri, but yet i
only met you once last year and only
discussed Missouri one time last
year. Prior to then, we have had
several positive romantic encounters
with no problems.

not deal with it. It is too stressful. I wanted to take things slow & get to know 1 another more but you flip out when I speak my mind heart & feelings on things & then think I am under thought control. I have nothing to do with anything your going through ok

I will get your debit card back to you

I already told you why I ask about Missouri. You left my heart hanging & just left without thinking if my feelings. That's it.

But all you talk about is Missouri and yet you date another man after me, and even forgot my name. Everyday you talk about Missouri to me. I left twice in the past, but you only remember and talk everyday about Missouri. And your conversation constantly talk and mold to case that you don't even know about? That's why I think you are under thought control, every situation that happens to me in court, you naturally bring up without knowing about the situation in court. And yet it's to the defense of Missouri. And yet that's all you bring up

Have a successful day

You do not have consent of the owner of this phone to communicate, nor contact this number, especially through spoof calls.

If someone owes you, payment shall be rendered. But not through illegal actions

Appendicitis, Adult

The appendix is a tube in the body that is shaped like a finger. It is attached to the large intestine. Appendicitis means that this tube is swollen (*inflamed*). If this is not treated, the tube can tear. This can lead to a life-threatening infection. This condition can also cause pus to build up in the appendix.

What are the causes?

- Something blocking the appendix, such as:
 - A ball of poop (*stool*).
 - Lymph glands that are bigger than normal.
 - Injury to the belly (*abdomen*).
- Sometimes the cause is not known.

What increases the risk?

You are more likely to get this condition if you are 10–30 years old.

What are the signs or symptoms?

- Pain or tenderness that starts around the belly button and:
 - Moves toward the lower right belly.
 - Gets worse with time.
 - Gets worse if you cough.
 - Gets worse if you make a sudden move.
- Vomiting or feeling like you may vomit (*nauseous*).
- Not wanting to eat as much as normal (*loss of appetite*).
- A fever.
- Trouble pooping (*constipation*).
- Watery poop (*diarrhea*).
- Feel generally sick (*malaise*).

How is this treated?

In general, this condition is treated with both antibiotic medicines and surgery to take out the appendix. If only antibiotics are given and the appendix is not taken out, there is a chance the condition could come back.

Laparoscopic Appendectomy, Adult, Care After

What can I expect after the procedure?

After a laparoscopic appendectomy, it is common to have:

- Little energy for normal activities.
- Mild pain in the area where the cuts from surgery (*incisions*) were made.
- Trouble pooping (*constipation*). This may be caused by:
 - Pain medicine.
 - A lack of activity.
- Gas pain that can spread to your shoulders.

Follow these instructions at home:

Your doctor may give you more instructions. If you have problems, contact your doctor.

Medicines

- Take over-the-counter and prescription medicines only as told by your doctor.
 - **Do not** stop taking antibiotics even if you start to feel better.
 - Take pain medicines before your pain gets very bad.
- If told, take steps to prevent problems with pooping (*constipation*). You may need to:
 - Drink enough fluid to keep your pee (*urine*) pale yellow.
 - Take medicines. You will be told what medicines to take.
 - Eat foods that are high in fiber. These include beans, whole grains, and fresh fruits and vegetables.
 - Limit foods that are high in fat and sugar. These include fried or sweet foods.
- Ask your doctor if you should avoid driving or using machines while you are taking your medicine.

Incision care

Normal
incision

Infected
incision

- Follow instructions from your doctor about how to take care of your incisions. Make sure you:
 - Wash your hands with soap and water for at least 20 seconds before and after you change your bandage. If you cannot use soap and water, use hand sanitizer.
 - Change your bandage.
 - Leave stitches, staples, or skin glue in place for at least 2 weeks.
 - Leave tape strips alone unless you are told to take them off. You may trim the edges of the tape strips if they curl up.

To whom it may concern,

I'm the mother of Gianfranco Garcia Williams son of Maceo Williams.

My son lately has been experiencing some nightmares and I'm very concern and don't know how to help him when he has these moments.

This week I have witnessed my son waking up out of his sleep hollering and screaming and saying "stop", as a mother I knew something was wrong, as a mother's intuition I felt as if he was dreaming that he was being tormented or being abused. This is very disturbing to me because it scares me to hear him screaming and being able to have a peaceful night rest.

I really believe this is more than just a dream, this has to do with something spiritual.

Sincerely,
Brenda García

There is a Missouri UAV that's been following me and my business partner's including myself for going on two years, there are shooting microwave beams at my heart and head that has caused me hospitalization. I've had to call the police several times, and they have no good intentions, they have taken so much money from me illegally, and lie about everything so I can't file a complaint. When I reached out to the media, they hacked my email and stopped me from even contacting the Atlanta Journal Constitution. They are shooting me with beams that is EMP because they try and take from me, even my authorship to books I've written to cover up thier crime. They have broken up business partnerships, and keep a low flying drone, UAV on me at all times for no reason. I've taken several photos of the issues and have video footage.

Incident Description

Steve at Atlanta Recovery today told me that yesterday, my property was mistakenly packed off my bed. He was the person who packed it. He stated it was odd for him to see my suit case unzipped. I am a Jew who actively practice animal sacrifices in my religion.

Specifically, someone unzipped my suitcase, took out religious property, a prophecy journal took two pages ripped out the Jewish Book of Prophecy about the Jewish God Hashem and Jesus Christ.

Sworn Affirmate Affidavit

Maceo Williams has provided over ~~98~~⁹⁹ pages of evidence in this amendment to support a transfer of venue.

Procedural Background

The Federal Government intercepted a mail package at Kansas City Postal Office, pursuant to package number 94001362053099894643021USPS.

A Computer Chip for human implantation was exchanged for my mail I ordered. (2)

See first page of the package, because the person

Who organized the intercept of my mail, for a Computer Chip implant for the United States of America, is the same persons who crossed state lines, in excess of their Jurisdiction, to have me Involuntary Terminated from employment, at Capital Vacations Employment Group LLC and Capital Vacations LLC, here in the State of Georgia.

The person responsible is Missouri Judge Charles McKenzie, and Attorney General Eric Schmit.

They wanted me to take the Computer Chip on behalf of the United States Government, implanted in my body. It was not the package I ordered. The tracking number showed each stop from Marysville, WA, to Kansas City, to Atlanta Georgia.

The person responsible for hacking me, my computers, my phones, and took over my emails, in the Missouri Case # 2116 - CV19353, whereas the Plaintiff lost over \$400,000 dollars of his own earnings.

These Foreign Government entities, and bad actors infiltrated my place of employment here in Georgia, and used Pass-through Great Eileen Buntelt, Jimmy Daniels and Capital Vacation employees to have me terminated.

I had proof of All my emails for each case, pursuant to Discovery rules. Maceo Williams have Logged into his emails at Gwinnett County Court house Law Library. I (3) created my "protonmail" emails at your Courthouse, on camera. I Logged into my emails here at the Courthouse a few days ago. And as of today. The Federal Government,

Missouri Government, and Capital Vaccation's employers, stole my email account, so I would not have evidence to prove the computer chip implantation, and my case in Court.

This is a special circumstance, whereas I would like to request the Courts, to allow me to sue a Foreign Government Judge for Hacking my Computer, taking my phone and giving my ex-employer nude pictures of me, likes in women. Judge Charles McKeniz, and Attorney General is wrong in its Tort, to have me terminated from work, Intercept my mail and put a United States computer chip for implant.

I request from this Judge to give me a special injunction to retrieve my email accounts, and virtual property they stole from me in the last week hacking. They stole over 500,000 documents, computer software, and computer keys. So, since I have no email accounts:

Maceawilliamstrust@gmail.com

maceawilliamstrust@protonmail.com

privateequity333@gmail.com

I have now lost over 400,000 dollars, my place of employment, all of my social media accounts, amazon and etc. Your email accounts is used for credit cards to log on to other accounts. My receipts for my purchases at Amazon is based on my emails.

Page one of exhibit is a copy of the computer I purchased. The EEOC is involved in this as well, That's why Washington D.C. was hacking me as

Well.

All I.P. Addresses was traced back on gps. Exhibit 2-30 (pages) are the exact coordinates of the hackers. I, Maceo Williams, resides in Snellville Ga. How ironic, is that Jackson County Courthouse is the direct coordinates of the illegal hacking has happened. The News was in those emails regarding the criminal behavior of the courts in Missouri.

managers meeting, Conducted by him, Judge Charles McKenzie,
Attorney General Eric Schmitt. And Capital Vacations employees
in Missouri.

Exhibit Pages (34) (40) is the "Digital Fingerprints"
of the hackers "Security Certificate Trust" was what
allowed me to trace Carlos Alejandro, his "Schology"
Dark web mode, and how his Microsoft Edge Extension
was found in my hacked computer. His fingerprints
(Digital Fingerprints) CA Certificates, and his style of hacking
was how he suspect to the situation. But after
he was identified, he destroyed any evidence
of his name off my iPad. (Carlos Alejandro, say/darkweb
came to be discovered. However, Jackson County courts
are the center of the deprivation of my rights of the
illegal hacking and pay cyber attacks

Pages (41) through (45) are ping, tracing
routes that aided as tools in my investigation

(46) through (48) are the constant experience
I Mace Williams was experiencing about the suspicious
activities related to my gmail account. (6)

(49) - (53) are additional digital fingerprints
as well

(54) - (59) are the third party apps on
my Galaxy Note 10 Plus, that was hacked, instructly

Are copies of my phone being Forwarded
to another number. It is believed that the
number that my calls, text, and etc that was
forwarded. Was replaced in my phone under
"Message Center." Because my phone is registered
under T-Mobile, MetroPCS. But on the eighth of
October, that number changed with the hacking.

Pages (63) (72) Is that, in my photos
of my Google email, privategully333@gmail.com, during the
hacks, Desiree Christy, "Google user" and Louise (7)
Martini was found with their email attached
to my email through a link. That's why it is
is also, outside of being my previous supervisor
at Capital vacations, implicated in the hacks.

A previous employer of mine, who never
paid me my \$5,000, was seen with his calendar
attached to mine. Mr. Jeffery at MoKanHomeImprovement
is directly tied to this Hacking incident.

as well, because he had established an account into my Microsoft office account, sep page 68, and 69, And Eileen Rumpfelt and Jimmy Daniel, was the two primary Pass-through agents, representing Capital Vacations legally, who help orchestrate the events for the Cortez government of Missouri, to operate in the State of Georgia that got me terminated for the two masterminds, Attorney General Eric Schmidt, and Judge Charles McKelvie.

Exhibits 73 and 88 are misc, on destructive apps placed in my phone, to erase all my data, control my passwords, lock me out my phone, and etc.

The last few days, the Cyberintelligence units started a subliminal communication ^{to me} by communicating through electronics in my car, iPad and etc. Therefore because I knew that routes traced in the IP address, was in both Washington DC, and Virginia, I therefore knew it was federal. Because this case is related to Destree Christy with AR-15s and guns posted at Capital Vacations Beach.

I tipped off the federal Cybersurveillance team about more guns at a hotel to help my government as a patriot, to give them more leads. In return, they never gave me back my phone, and destroyed my "Call Center" through hacking my computer more aggressively.

Therefore, my sworn Affidavit in this Motion to Transfer this case to ~~the~~ Fulton County, where the primary to pass-sprague Agents who worked for the Attorney General Eric Schmitt and Mr. Charles McKenzie, is who told me I was terminated from employment. Secondly, from the interception of my USPS mail, to replace my order I purchased, with a computer chip implant for the United States of America, and by representing the company Capital Vacations, and having the nudity of my personal items spread through out Capital Vacations, is outright disrespectful. Mr. Eric Schmitt, and Charles McKenzie infiltrated my operations, and work, and controlled me, to have me ordered for a involuntary termination, leaves me at prayer before this court.

Proposed Order

The plaintiff needs and Order to retrieve his email accounts, on my own behalf, directed at Google and Protonmail to assign my accounts back to its owner with a full transcript.

Secondly, to order this Motion, and case be transferred to Fulton County, where as Jurisdiction, and venue is proper. Primarily, because Gwinnett State Court gave me a miscarriage of justice, and turned a blind eye on

the incident as it occurred.
